

Changes made to waste collection procedures from FY2022. **LANDFILL** garbage collection dates will be changed. Start collecting **PLASTIC BOTTLES** at Garbage Collection Points.

*Garbage are also collected on National holidays. Extra collection is scheduled for Year-end/New Year holidays. Please refer "Garbage Collection Calendar" on the reverse side.

Category	Collection Day / Site	Applicable Items	Example	Remarks	
Combustible Items	 Combustible Garbage City-designated Garbage Bag (brown)	Every Mon./Wed./Fri. Garbage Collection Point	<ul style="list-style-type: none"> kitchen garbage plastic items fabrics leather items rubber items aluminum foils 		<ul style="list-style-type: none"> To dispose of newspapers, magazines, corrugated cardboard and drink packagings, use the regional recycling groups for collection. Otherwise, put them out at the garbage collection point in the "Combustible Garbage" bag. Drain all liquids from kitchen waste. For disposable diapers, flush solid waste down the toilet. For grass and twigs, put them in the "Combustible Garbage" bag.
	 Landfill Garbage City-designated Garbage Bag (blue)	The collection date has been changed. There is NO 5th collection. Every 1st/3rd Thu. Garbage Collection Point	<ul style="list-style-type: none"> ceramic items glass items small amount of soil from garden planters 		<ul style="list-style-type: none"> Sharp and fragile items should be wrapped securely, such as in newspapers. To avoid fires on the collection truck, be sure to fully use the disposable gas lighters prior to disposal. Contact gardening stores or construction companies for disposal of a large amount of soil, pebbles, and gravel. Lithium primary battery (coin-type/cylindrical) are to be insulated such as with tape.
Mercury Containing Products		Drop-off Counter	<ul style="list-style-type: none"> Bring your mercury containing products such as air/body thermometers, blood pressure monitors to Garbage Control Section, Sakura City Hall (5th floor, Building 1). 		
Noncombustible Items	 Metal Items & Small Appliances Colorless & Transparent Plastic (Poly) Bag <small>*There is no city-designated bag for collection. *Semi-transparent is acceptable as long as the contents are visible. *To avoid the bag being ripped, use a thick bag. *Other municipalities' designated garbage bags, even if colorless and transparent, are not acceptable.</small>	Every 2nd & 4th Thu. Garbage Collection Point	<ul style="list-style-type: none"> metal items and small household appliances that fulfill all of the following requirements: a) sizes that fit into a designated 30-liter bag (except for metal canes, umbrellas) b) weighing less than 5kg per item 		<ul style="list-style-type: none"> Items that exceed the applicable size and weight are disposed of as "Bulk Waste" (house pick-up: fee & reservation based). Several items in the same bag must not exceed 10kg per bag. When disposing of sharp objects and fragile items, wrap them securely such as in newspaper. Be sure to delete any personal information on items that can record personal information. Remove batteries and dispose of them according to the disposal rules. Items subject to the "Home Appliance Recycling Act" do not belong to this category.
	Small Appliances which can record personal data	Special Waste Drop-off Site (City Facilities)	<ul style="list-style-type: none"> small appliances that can record personal information and can be put in a collection receptacle opening (30cm x 10cm x 30cm) 	[Applicable Items] USB flash drives, video cameras, hard disk recorders, digital audio players, IC recorders, digital cameras, game consoles, car navigation systems, electronic dictionaries, etc. <small>*remove batteries and dispose of them according to their disposal rules. *be sure to delete all personal data. *appliances once put into the collection receptacle will not be returned.</small>	[Drop-off Site] -City Hall: 1st floor of building 1 -City Branch Office: Usui-Chiyoda, Yukarigaoka, Negō, Wada, Yatomi -Library: Sakura Library, Sakura Minami Library -Other Facility: Millennium Center Sakura, Nishishizu Fureai Center, Chiyoda-Someino Fureai Center, Shizu Community Center, Shizu Shimin Plaza
	Drop-off Counter		<ul style="list-style-type: none"> Smartphones, mobile phones, PHSs, and tablet devices which the city can give proper treatment for recycling and disposal PC collection is abolished (refer bottom-right corner on the reverse side**) 		
Items subject to the "Home Appliance Recycling Act", contact your neighborhood stores (refer City's website for the list of cooperating stores or contact "Home appliance Recycling Ticket Center" ☎0120-319-640)					
Recyclable Resources	 Cans City-Designated Garbage Bag (red)	Every 1st/3rd/5th Tue. Garbage Collection Point	<ul style="list-style-type: none"> empty cans 		<ul style="list-style-type: none"> Cans must be emptied when disposal. To avoid fires inside the collection vehicle, make sure to use up all of the contents of spray cans and cassette cylinders and puncture the cylinders before disposing of them (piercing should be performed outside, away from the fire). itto-can (18-liter square cans) should be disposed of as "Metal Items & Small Appliances".
	 Bottles City-Designated Garbage Bag (green)	Every 2nd & 4th Tue. Garbage Collection Point	<ul style="list-style-type: none"> empty glass bottle / jars 		<ul style="list-style-type: none"> Metal lids should be disposed of as "Cans". Plastic lids should be disposed of as "Plastic Containers/Wrapping". Ceramic bottles should be disposed of as "Landfill Garbage".
	 Other Paper Containers/Wrapping City-Designated Garbage Bag (white)	Every Tue. Garbage Collection Point	<ul style="list-style-type: none"> paper containers and packaging of purchased items with identification mark for recyclable paper containers/wrappings 		<ul style="list-style-type: none"> Newspapers, magazines, cardboard boxes, and paper cartons do not belong to this category. Items that are extremely soiled and scented should be disposed of as "Combustible Garbage".
	 Plastic Containers/Wrapping City-Designated Garbage Bag (yellow) <small>*From April 2022, Plastic Bottle are also included. *Always remove caps & labels when disposing.</small>	Every Thu. Garbage Collection Point	<ul style="list-style-type: none"> plastic containers and packaging of purchased items with identification mark for recyclable plastic containers/wrappings Plastic Bottle (NO oil residue) PET 	 <p>[Applicable Plastic Bottles] *soy sauce, alcoholic drinks, beverages, seasoned soy sauce (e.g. men-tsuuy), mirin, vinegar, seasoned vinegar, non-oil dressing, alcoholic fermented seasoning liquid. *Lightly rinse with water, crush and remove the label and cap, then put it out in the city-designated garbage bag.</p>	<ul style="list-style-type: none"> Empty and rinse out. Extremely soiled items should be disposed of as "Combustible Garbage." Plastic items (e.g. clothing hangers, buckets, storing containers, toys, etc.) should be disposed of as "Combustible Garbage."
	Bulk Waste	Door-to-Door Pickup (Prior application & fees required) *Refer reverse side for specific details.	<ul style="list-style-type: none"> items that fulfill either one of the following conditions: a) items that NOT fit in 30-liter city-designated garbage bag size (except for metal canes, umbrellas) b) each weighing 5 kg or more 		<ul style="list-style-type: none"> There are items which CANNOT handled by the city. Refer below " (Items that are NOT Collected by Sakura City)" for details. Other alternatives of disposal are as below: (1) Drop off the items to "Shisui Recycle Bunka Center" (waste incineration plant) by yourself. (☎) ¥350/10kg, ☎8:30-11:30/13:00-16:30, ☎1506 Sumi, Shisui-machi ☎043-496-7511) (2) Request a general waste disposal contractor approved by Sakura City for collection.
	Used Cooking Oil	Every 1st Thu. Special Waste Drop-off Site (City Facilities) (May and November will be on the second Thursday of the month)	<ul style="list-style-type: none"> used cooking oil *disposed in itto-cans (18-liter square can) are not acceptable 		<Drop-off Site> -City Hall: side of the entrance of building 1 -City Branch Office: Negō, Wada, Yatomi -Other Facility: Sakura City Concert Hall, Millennium Center Sakura, Nishishizu Fureai Center, Chiyoda-Someino Fureai Center, Shizu Community Center, Shizu Shimin Plaza ● Drop off at facilities' opening hours ● If you cannot take oil to the collection station, absorb the oil in cloth and dispose of as "Combustible Garbage." ● Oil for machinery is not collected by the city. Contact the store/manufacturer you bought from or otherwise if the amount is few, absorb the oil in cloth and dispose of as "Combustible Garbage"
	Used Dry-Cell Batteries	Special Waste Drop-off Site (City Facilities)	<ul style="list-style-type: none"> alkaline dry-cell batteries manganese dry-cell batteries (sizes D ~ N (#1 ~ #5) cylindrical dry-cell / 9volt rectangular dry-cell) leaked and rusted batteries are also acceptable 		[Drop-off Site] -City Hall: 1st floor of building 1 -City Branch Office: Usui-Chiyoda, Yukarigaoka, Negō, Wada, Yatomi -Library: Sakura Library, Sakura Minami Library -Other Facility: Millennium Center Sakura, Nishishizu Fureai Center, Chiyoda-Someino Fureai Center, Shizu Community Center, Shizu Shimin Plaza, JR Sakura Tourist Information Center ● lithium primary battery (coin-type /cylindrical) are to be insulated and be disposed of as "Landfill Garbage." ● Rechargeable batteries should be collected at the counter of the Garbage Control Section or at cooperating stores in the city (for details, please contact above.)
	Used Fluorescent Lights	Special Waste Drop-off Site (City Facilities & Storefronts)	<ul style="list-style-type: none"> fluorescent lights (straight, circle, bulb shaped) 		<Drop-off Site> -City Hall: side of the entrance of building 1 -City Branch Office: Usui-Chiyoda, Negō, Wada, Yatomi -Other Facility: Millennium Center Sakura, Nishishizu Fureai Center, Chiyoda-Someino Fureai Center, Shizu Community Center, Shizu Shimin Plaza, cooperating storefronts in the city (for details, please contact us above.) ● Boxes and packages for these items are not accepted at this station; please bring them back home.
	Used Ink Cartridges	Special Waste Drop-off Site (City Facilities)	<ul style="list-style-type: none"> used ink cartridge 	[Applicable Cartridges] ● genuine cartridge manufactured by the following four companies: Brother, Canon, Epson and HP Japan. ● other cartridges other than above, extremely damaged cartridges, and toner cartridges should be disposed of as "Combustible Garbage".	<Drop-off Site> -City Hall: side of the entrance of building 1 -City Branch Office: Usui-Chiyoda, Yukarigaoka -Other Facility: Chiyoda-Someino Fureai Center, Shizu Community Center, Shizu Shimin Plaza, Seibu Chiiki Fukushi Center, Chūō Kōminkan, Negō Kōminkan ● Boxes and packages for these items are not accepted at this station; please bring them back home.

We ask for your cooperation in the effective use of resources, such as using resource collection organizations for newspapers, magazines, cardboard boxes, and paper packs (for details contact Garbage Control Section ☎043-484-6149)

(Items that are NOT Collected by Sakura City)

Toxic substances Pesticides, laboratory chemicals, batteries, etc. 	Hazardous materials Gas tanks, fire extinguishers, oils (except edible oil) 	Items under legal basis ("The Home Appliance Recycling Act") CRT/LCD/PDP TVs, air conditioners, clothes washers and dryers, refrigerators, freezers, commercial refrigerators/air conditioners without having freon removal, and PCs 	Others Solar power generation system, hot-water supply system, car tires for cars & motorcycles, farming equipment, motorcycles, mobility scooters, pianos, electric organs, construction wastes (e.g. plaster boards), spring mattresses, coating materials (paints), etc. 
--	--	---	--

◆ The above-mentioned items must either be collected by the store of purchase or a specialized handling company. Do NOT dispose of these items at the garbage collection site under any circumstances.

<<Your cooperation is requested>>

- ◆ Take out your waste to the collection point no later than 8:30 a.m. on collection day. Do not take out the garbage the day before or during the night before the pickup.
- ◆ Waste disposed of in bags other than those specified by the city will not be collected.
- ◆ For safety reasons, collection may be cancelled due to bad weather (such as typhoons or heavy snow).
- ◆ Business waste (general wastes from business activities / industrial wastes) is not collected by the city and must not be disposed of at collection points or collection stations.
- ◆ Do not use illegal trash haulers / junk pickup agents who have no permission from the city.
- ◆ Know before you throw! Follow the disposal rules and work together to keep our community clean!

Items which are not listed in the "Bulk Waste Item Chart"

Items which weigh 15 kg or less	¥500
Items which weigh more than 15 kg and up to 30 kg	¥1,000
Items which weigh more than 30 kg	¥1,500

The size/weight of the bulk waste is limited to items that can be loaded by two workers.

[Bulk Waste Disposal Ticket]

- A 500 yen ticket is the only type of "Bulk Waste Disposal Ticket."
- Refund is available for former tickets (face value other than ¥500). Contact Garbage Control Section for details.
- Items that do not meet the conditions listed below (①) are not bulky waste, even if they appear on the "Bulk Waste Item Chart". Please put out for regular collection at a garbage collection point.

[About the "Bulk Waste Item Chart"]

① Items that meet any of the conditions listed below are eligible.

SIZE	Items that do NOT fit in a 30-liter city-designated garbage bag (except for umbrella and cane made of metal).
WEIGHT	More than 5 kg per item

② "Small" size refers to items whose width, height, and depth are all less than 1.2 m in length. "Large" is defined as anything other than "Small".

③ The amount of the fee is for one item of bulky waste, unless otherwise specified in the table.
