---	---	---	---

◆The above-mentioned items must either be collected by the store of purchase or a specialized handling company. As of PCs/displays, please contact the appliance manufacturers. Do not dispose of these items at the garbage collection site under any circumstances.

<<We ask for your cooperation>>

- ◆Please take your garbage to the collection site by 8:30 a.m. on the collection day. Do not put out the garbage on the day before, or during the night before the collection day.
- ◆Garbage that is not in the proper city-designated garbage bags will not be collected.
- ◆In case of bad weather (such as typhoons or heavy snow), the garbage may not be collected for safety's sake.
- ◆The city does not collect commercial garbage (general wastes from business activities / industrial wastes). Please do not dispose of such items at garbage collection points or collection stations.
- ◆Do not use illegal trash haulers / junk pickup agents who have no permission from the city.
- ◆Please follow the disposal rules and work together to keep our community clean!

Oversized Garbage Disposal

Contact list for pick-up booking (Booking is available only in Japanese. Please make sure to dial the correct number)

Those who live in the district of:	Collection Company
Sakura, Negō, Wada or Yatomi	Imba bō-ekisha ☎ 043-483-5022 fax. 043-486-2937
Usui or Shizu of northern area of Keisei Railway	
Usui or Shizu of southern area of Keisei Railway, Chiyoda	Igarashi shō-kai ☎ 043-443-4676 fax. 043-442-1581

Follow the steps below to apply for pick-up before discarding the item.

- Book a pick-up with the collection company (refer list on above)**
 - application hours: weekdays 8:30-17:00
 - pick-up hours: weekdays 8:30-17:00
 - no pick-ups on Sat., Sun., National Holidays, and Year End/New Year Holidays.
 - provide your name, address, telephone number, types of Oversized Garbage, and preferred pick-up date.
- Purchase the Oversized Garbage Disposal Ticket at a store.**
 - check the fee for the item in the "Oversized Garbage Item Chart" below and purchase the Oversized Garbage Disposal Ticket at the available store.
 - the tickets cannot be returned or reissued after purchase. Make sure you purchase the required number of tickets.
- Attach the ticket to your oversized garbage and put them out.**
 - the "Oversized Garbage Disposal Ticket" is a sticker. Indicate the necessary information (pick-up date and your name) on the sticker, attach it to your oversized garbage where easily visible.
 - place them out in designated site by 8:30 on the pick-up date.
 - oversized garbage without ticket attached will not be collected.
- The collection company will come to pick up the item.**
 - you do not need to be present at the time of collection.
 - garbage collection workers do not go into your house to bring out your garbage.
 - apartments or condominiums residents should use the usual garbage collection site to ensure the safety of evacuation routes and to avoid becoming a nuisance to your neighbors.

[Oversized Garbage Disposal Ticket]

- The face value of the "Oversized Waste Disposal Ticket" is ¥500.
- Refund is available for old tickets (face value other than ¥500). Contact Garbage Control Section for detail.
- If the item does not conform to the conditions shown below chart, please dispose of it as regular garbage, even if the name is listed in the "Oversized Garbage Item Chart".

[Note]

- Items which are listed in the <Oversized Garbage Item Chart> should meet either of the following conditions.

Size	Items which do NOT fit in a 30-liter city-designated bag (except for umbrella and cane made of metal).
Weight	Items which weigh 5 kg or more each.
- The word "Small" refers to items meaning 1.2m or less in its length of width, height, and depth. The word "Large" refers to items that do not fall under the category of "Small".
- The disposal fee is for each oversized garbage item unless otherwise stated in the chart.
- Items within the same category (see below chart) which are combined up to 5 items and weigh 15kg or less, the fee will be ¥500 altogether.

Category 1	Items with (※1) mark in the <Oversized Garbage Item Chart>: zabuton, futon, blanket, cushion.	Up to 5 items in total (up to 2 pieces for futon)
Category 2	Items with (※2) mark in the <Oversized Garbage Item Chart>: clothing storage box, trash bin, bucket, planter, tank (every items are to be made of plastic).	Up to 5 items in total.

(Example) "case of combination of futon and blanket"
 The <Oversized Garbage Item Chart> indicates, disposal fee is ¥500 for 3 futon or 5 blankets respectively. If you would like to dispose of 2 futon together with 3 blankets, the fee is ¥500 altogether, as far as the total weight is 15kg or less.
 ※3 Discard bicycle with the key attached
 ※4 Fuel in the tank must be drained when disposal.

**** (continued from the reverse side column "Small-sized Home Electrical Appliances which can record personal data")**

[Collection of smartphones, mobile phones, PHSs, tablet terminals, and main units of PC at Garbage Control Section]

For these items, collection by manufacturers is most recommended and encouraged. The city also may accept them at Garbage Control Section (5th floor of Sakura City Hall "building 1") where we determine possible for recycling and disposal.

smartphone, mobile phone, PHS, tablet terminal	Please bring your phones with empty battery as it will be destroyed at Garbage Control Section.
main unit of PC, laptop computer	Please bring your HDDs removed from the PC unit as it will be destroyed at Garbage Control Section. Note that we cannot handle all-in-one PCs and PC displays.

*Be sure to delete all personal data before disposal.
 *Please do not put mobile phones, PHSs, tablet terminals, and PCs in collection receptacles at Collection Stations.

Items which are not listed in the "Oversized Garbage Item Chart"

Items which weigh 15 kg or less	¥500
Items which weigh more than 15 kg and up to 30 kg	¥1,000
Items which weigh more than 30 kg	¥1,500

The size/weight of the oversized garbage must be such that two workers can load it into the truck.
